

SERVICE ADVISORY

NO.: 1878 Rev B

TO: Registered GX-series and Model 2101 product owners and operators
DATE: January 16, 2019
SUBJECT: Discontinued Navigation Databases
REVISION B: Extended Effectivity Date

PRODUCTS AFFECTED

GX-series and Model 2101 products are affected.

ISSUE

Effective December 3, 2020 the GX-series and Model 2101 databases listed below will be discontinued.

Part Number	Description
138-0426	International
138-0472-011	USA/Latin America
138-0475-011	Latin America/South America
138-0492-00	West North America
138-0493-00	East North America

We sincerely regret discontinuing service or support on any Garmin product. However, equipment used to build the databases can no longer be supported.
